

# Our City Our Arts

## MISSION:

Our City, Our Arts explores the vast scope of the City's culture and creativity and promotes the power of the arts to inspire, educate and enrich our lives.

## GOAL:

To make City Hall a place where all citizens can experience the arts and where local artists can showcase their work.

## See City Hall in a New Light

Cleveland is a community rich in art and culture that can greatly enrich our experiences and improve the quality of our everyday lives. Mayor Jackson would like to invite Cleveland's artists to share their gifts with everyone who visits City Hall. Visual artists are invited to display their works in the Rotunda. Performing artists are encouraged to present their talents in lunch time performances. Please contact Melaina Kampf to find out how you can showcase your work at City Hall. It is truly time to celebrate the talents and diverse gifts of all Cleveland's artists.

**Please contact Melaina Kampf in the Office of the Mayor if you have any questions at (216) 664-4272.**
